

30x40 Passepartout

Print file size = 302 mm x 202 mm (This should be your prepared file size with design).

Safe file area = 277 mm x 177 mm (Keep important graphics within the safe print area to avoid missing design elements on final product).

Trim area is indicated by pink, it might be cut off while trimming. Avoid placing important design details there.

NOTE!

Minimal resolution requirement: 120ppi

Prepare files in PNG format

Please find photoshop working file attached with all the necessary layers and sizes to use for your designs.
