

# merchOne

## Woodblock

Print file size = 200 mm x 150 mm (This should be your prepared file size with design).

Safe file area = 180 mm x 130 mm (Keep important graphics within the safe print area to avoid missing design elements on final product).

Vignete (fade) area is indicated by pink, it will be faded out when printed. Avoid placing important design details there.

### NOTE!

Minimal resolution requirement: 72ppi

Prepare files in PNG format

Please find photoshop working file attached with all the necessary layers and sizes to use for your designs.
